

Dear members of the Vraj Youth Committee,

Over the course of the last 6 years, I have served as the committee's president. In that time, we have come a long way. Together, we have made our youth retreats more relevant, increased our efforts to give back to Vraj, and have begun to extend our reach to give back to the our local community outside of Vraj. Our scholarships application process grows more and more competitive every year. And camper/counselor interest at our Vraj Youth Camps continue to grow at an overwhelming rate.

As exciting as the last few years have been, looking ahead, I think the coming years will be far more exciting. We have a foundation of smart, motivated people with great ideas to carry this committee to the next level; and as time goes on, and more people become involved, I think the sky is the limit for our committee and the youth that it serves.

My time as president has been an incredible experience. I've met so many great people along the way and I have learned greatly from everyone. But as the committee evolves, the leadership evolves with it. And so, I'm honored to introduce to you our next president.

Please join me in welcoming Nirali Parikh as the next leader of our committee. Nirali has been a key part of our team for a long time, and I'm confident that under her leadership, we will be able to bring new and exciting ideas to fruition.

It has been an honor to serve as this committee's president. Thank you all for the opportunity.

Sincerely,  
Kunal Shah
